<b>Year (construction start)</b>	2004	<b>Year (construction end)</b>	2006
----------------------------------	------	--------------------------------	------

### Facts

- The residential tower is Bonita Bay Club's sixth luxury high-rise, preceded by Estancia at Bonita Bay, completed in 2002.
- The luxury high-rise offers views over mangrove preserves, Estero Bay, and the Gulf of Mexico.
- The tower's modern, mediterranean syle exterior design is typical of Bonita Bay Group's high-rises.
- The tower contains units of 3,400 to 4,200 square feet, and eight carriage homes ranging from 2,700 to 3,200 square feet.
- Th tower contains 3 residential units per floor, except for the carriage home floors, which will contain 2 units per floor.
- The building includes a roof terrace, featuring breathtaking views, a wet bar, a barbecue grill, and roof-top planters with lush landscaping.
- Pre-construction prices of the high-rise's residential units ranged from US \$1,185,000 to \$2,050,000.
- Each residential unit has inland as well as gulfside views, allowing residents to enjoy both the sunrise and sunset.
- Eight streetfront carriage homes are located between the tower and Bonita Bay Boulevard, setting the tower back from the street.

# Get Emporis Research today and benefit from our worldwide database now!

## Analyze buildings, construction markets, regions and competitors

- 450,000 buildings from a wide range of categories such as residential, office, retail, hospitality and many more
- Choose from a broad range of regional data packages – or create your own
- Powerful and fast search for in-depth analysis
- Detailed search queries in over 50 data fields, e.g. filter by location, size, status, building usage and construction types
- Generate customized lists of construction projects and involved companies

## Generate leads and explore new business opportunities

- Get contact information for over 160,000 companies
- Search for companies related to specific construction projects or generate lists according to particular fields of activity
- Find new clients and business partners or connect with key players in new markets
- Forecast trends and future market growth
- Spend less time researching, and more time doing business

## Keep up to date and ahead of your competitors

- Get constantly-reviewed data from around the globe
- 24/7 access to the database from anywhere in the world
- View detailed information about existing buildings as well as those planned and under construction
- Save your searches for easy future reference
- Receive email notifications about new content fitting your criteria

## Download data and put it to work

- Export information easily to CSV/Excel files
- Individually select data fields for your specific needs
- Integrate the data into your own internal system
- Provide your staff with actionable data
- Benefit from limitless downloads within your chosen package
